Better products in plastic®

CLASSIC CART™ 95 U.S. gal./360 L

KEY FEATURES

- Strong and durable cart.
- IPL's injection process uses high density polyethylene (HDPE) that yields precise design and consistent thicknesses.
- UV stabilized against long-term effects of the sun.

WHEELS

- Solid steel axle, yellow zinc-plated against corrosion.
- Wheels snap on without tools.

BODY

- 100% recyclable.
- Unibody design requires no bolts or holes and does not leak.
- Designed for maximum wind stability.
- Easy to handle.

LID

- Advanced lid hinge design offers a tight seal that keeps pests and weather out and trash in.
- Multilingual user instructions on the lid.

TRACKING

- RFID technology and/or bar code option for quick identification.

DECORATION

- Multicolor hot stamping, IML, sequential serial numbers and bar coding.

WARRANTY

- 10-year limited warranty.
- 20-year life expectancy; designed for the worst weather conditions.
- Most durable cart in North America.
- Meets all American National Standards Institute requirements for safety and litter system compatibility (ANSI Z245.30 and Z245.60).
